

**16th International Conference on Cytochrome P450  
~Biochemistry, Biophysics, Biotechnology~  
June 21 - 25, 2009, Okinawa, JAPAN**

~ 2nd Announcement ~

~ Keynote Lecture

**SHIGEAKI KATO** (The University of Tokyo) ~  
June 21, Sunday, 16:00~

**Scientific Topics**

Bioinformatics; P450s in metabolism and drug discovery; Structure and function; Post-transcriptional, post-translational and epigenetic events; New mechanisms of P450 reactions; Transcriptional regulation; Heme-thiolate proteins; Biotechnology I; Biotechnology II; New aspects of P450 functions; Biophysical methods & nanotechnology; Functional Genomics; Steroidogenesis

**< Abstract Submission >**

**January 19, 2009 ~ March 16, 2009**

**Registration Fee & Deadlines**

	<b><i>Early (Jan. 19 ~ April 6)</i></b>	Late ( <b>April 6 ~ May 22</b> )
General	<b>50,000 JPY</b>	60,000 JPY
Student	<b>25,000 JPY</b>	30,000 JPY
Banquet & Excursion	<b>12,000 JPY</b>	12,000 JPY

**Hotel Booking**

Late January (Will be announced again)

**Contact address**

Chair: **Hirofumi Shoun** (The University of Tokyo)
